

Academic Emphasis Residential Area Living Learning Community (LLC)

Schneider Hall, Fifth floor

Students living on campus have the option to reside in the Automotive Technology – Living Learning Community (LLC) that is located on the fifth floor of Schneider Hall. Here, students have the opportunity to join a co-ed community of diverse student residents as well as students with similar interests. The LLC provides students with the opportunity to interact with faculty, participate in programs that bridge the gap between coursework and friendship, enjoy a strong feeling of connection to the campus community, and have a shared Living/Learning experience with other students who have similar interests and goals.

Online housing contracts are open for all students admitted to SIU. Students may select a room on the LLC when the room selection begins in May. Spaces on the Schneider Hall, Automotive Technology LLC are limited.

Schneider Hall is located on “East Campus” near the Student Recreation Center and Student Health Center. It offers suite style rooms where two bedrooms, each with their own sink, are separated by a bathroom. Laundry facilities are located on the floor as well as several lounge areas for relaxing, studying, and group events. Students have access to a kitchen for cooking as well as several outdoor grills. The Saluki Express bus service “Mae Smith” stop is right next door to Schneider Hall as well as student parking being available in two nearby parking lots. The Automotive Technology Program and the Automotive Technology registered student organization conduct various events with students in the building throughout the school year.

Dining meal plans, with options in the number of meals per week, allow students to eat in any of the University Housing dining halls or Express Dining areas across campus regardless of the area in which they live. The menus are designed to provide a varied and nutritionally balanced choice of foods at each meal. Students can always find something to fit their mood in the dining halls as they offer a large variety of entrees, side dishes and desserts including:

- Deli Bars
- Pasta Bars
- Soup and Salad Bars
- Cereal Bars
- Home-style Cooking
- Vegetarian Meals
- Low Fat
- Soft Serve Yogurt
