

**Automotive Parts and Service Association of Illinois
Ralph Silverman Memorial
Automotive Scholarship Endowment**

The Automotive Parts and Service Association of Illinois (APSA of IL) Ralph Silverman Memorial Scholarship was established to help ensure the future success of the automotive aftermarket industry.

Ralph built a successful automotive parts store and became the first president of APSA of IL. He was a strong advocate of promoting quality and high standards in the industry through education. In his passing, he wanted to continue promoting the industry through the development of a memorial foundation.

The endowment provides scholarships to the most qualified students from Illinois who wish to pursue a successful career in the automotive aftermarket industry. The awards are applied toward tuition, fees, books, or housing costs incurred through a college or university.
